Clearinghouse

The clearinghouse includes links to relevant resource websites, practices, and published reports. The Clearinghouse will also post selected presentations relevant to RSP regions and the planning effort. If you have suggestions on additional resources, or would like to suggest a presentation, please send them either to the webmaster or to John Overman at joverman@tamu.edu.

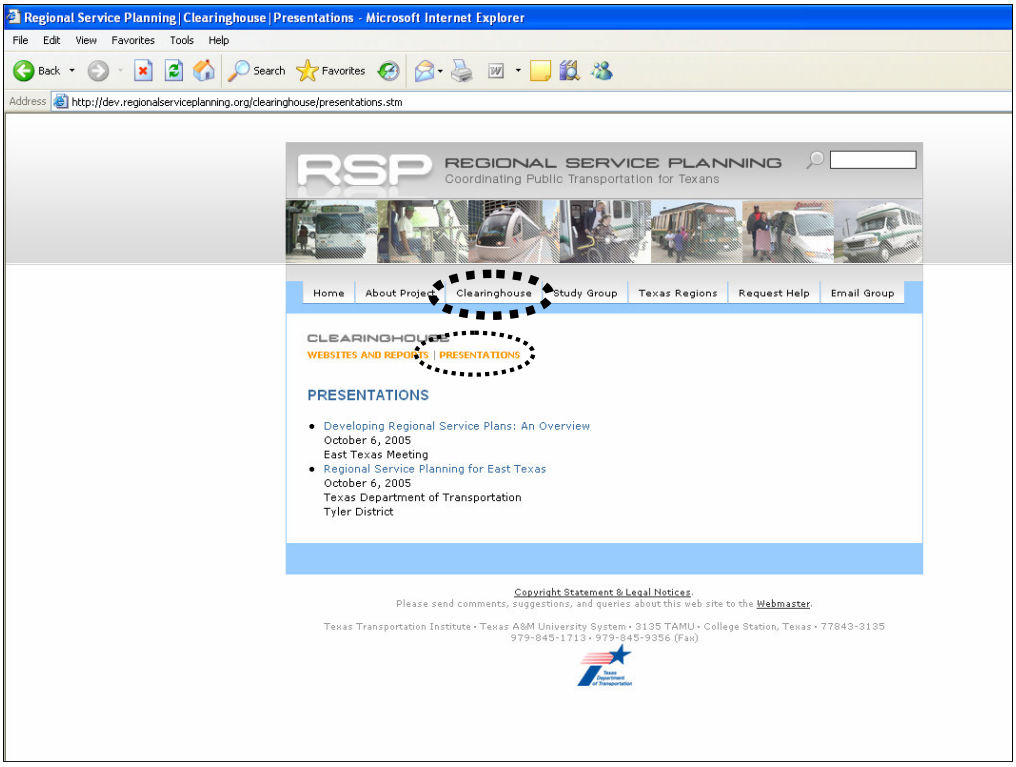
Each report record includes the report title, an abstract or description, and a link.



Presentations

There are two presentations currently under the presentation tab from the meeting in the East Texas Region on October 6.

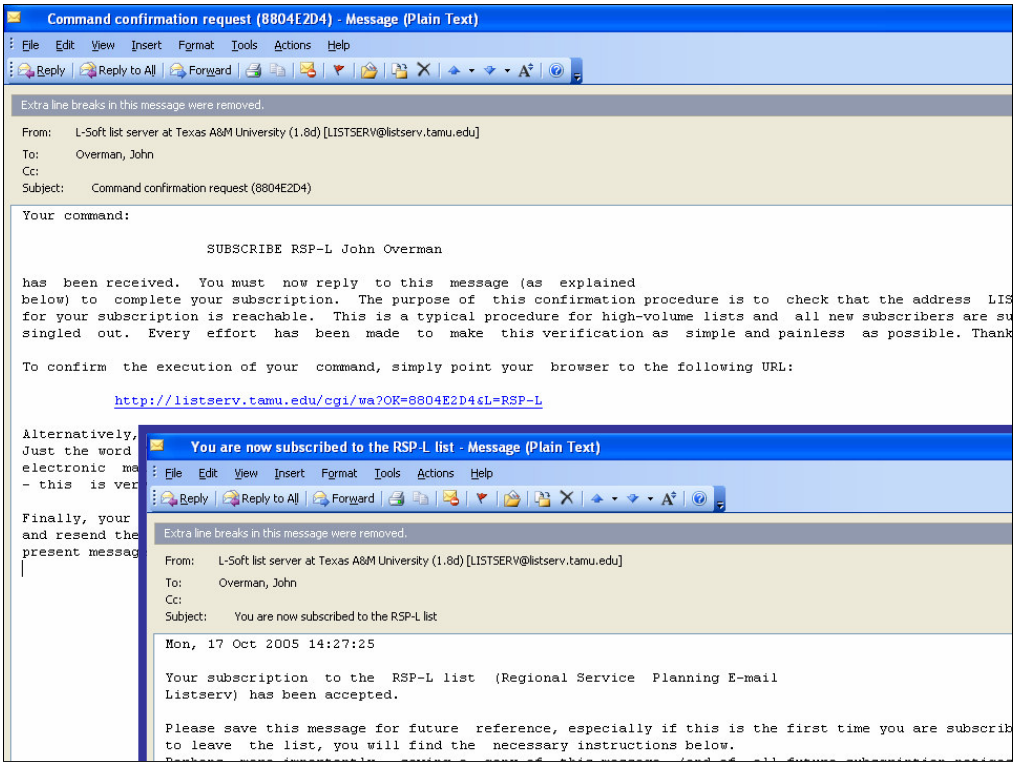
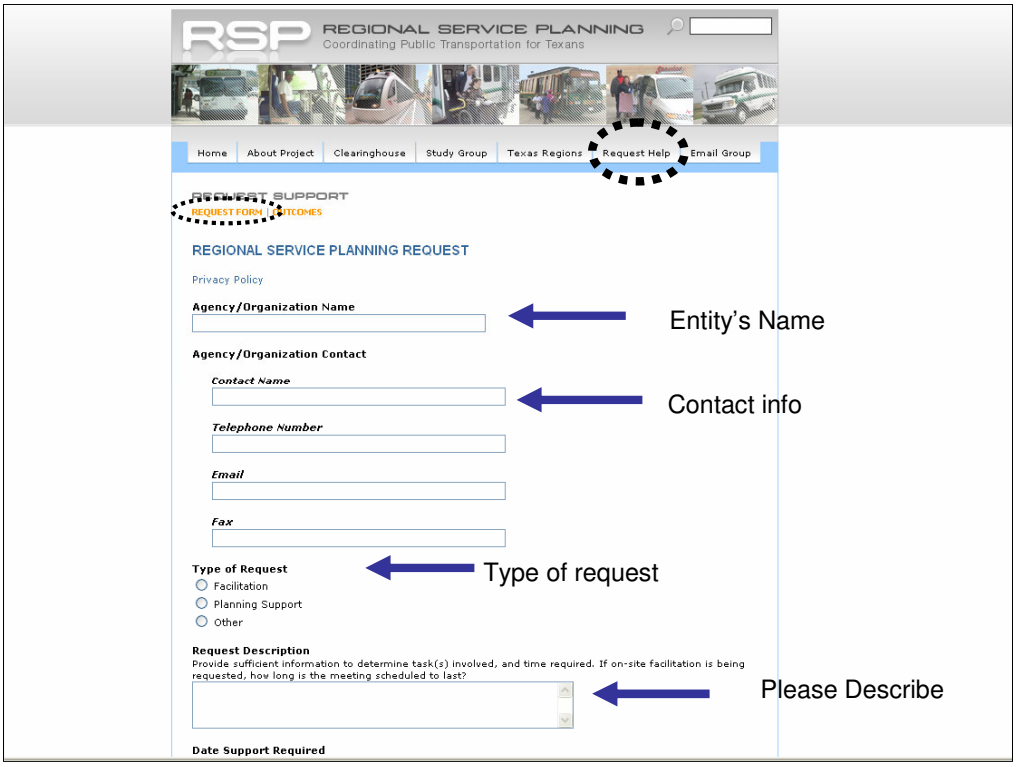
To subscribe to the RSP Email Group send an email to listserv@listerv.tamu.edu and put SUBSCRIBE RSP-L *firstname lastname* in the BODY of the email. Leave the Subject line blank. See the example email.



You will receive two emails from the listserv (shown above):

1) confirm your request to join the group, and
2) to welcome you to the listserv.



Requesting Help

One way to request help in your regional service planning effort is to use the RSP Website. To request help: click the "Request Help" tab, then the "Request Form" tab, and complete the form. Please include the type of request with a description. The description should include what, when, where, and how you would like help. For example, you may want help facilitating a meeting for a specific date and location, help finding a publications from TCRP, or ask a question about rules and legislation. You may also contact either Shawna Russell (TxDOT) at SRUSSE1@dot.state.tx.us or John Overman (TTI) joverman@tamu.edu.
