2. How can the roundtable be improved?

Maybe include materials or presentations from each freight mode so clearer picture of their challenges & strengths.

3. Other comments?

I hadn't heard the Mexican industry forecast before so that was good info.

I think you could dedicate a forum or conference to technology in transportation alone because there is so much opportunity there.

2. How can the roundtable be improved? Maybe more specific details on what to help solve or suggest for - where each group presentation at the end addressed the same items.

3. Other comments? 2 hours for roundtable would have been sufficient by allowing more time earlier for Q+A after each presentation.
